GIFT DESIGNATION

This form is to be used to become a member of the All Apostles Society. By doing so you are committing to a three-year pledge to unrestricted annual funds. All gifts will be designated by the donor and specific distribution within the respective fund will ultimately be decided by the Principal of St. Joseph School. Recommendations to the Principal from the SJS Advisory Council will be applied when appropriate and under any special circumstances.

*Please check your designation(s) below. Up to four designations may be chosen.
Multiple designations will be divided equally.*

STUDENT SUPPORT FUND

Our most critical need to curtail tuition increases and strengthen enrollment; primary focus is tuition assistance but other examples include extracurricular activities, school projects, athletics and field trips

FACULTY SUPPORT FUND

An essential fund with tremendous opportunity for improvement; some examples include payroll budget relief to improve student/teacher ratio, external educator/programmatic support and offsetting costs of professional development

TECHNOLOGY ENHANCEMENT FUND

This fund includes enhanced curriculum needs such as wireless networking, science labs, Smart Boards, individual iPads, computers, software updates, etc.

PRINCIPAL'S UNRESTRICTED FUND

This fund is vital for St. Joseph School and is the most traditional form of unrestricted, current use funds; allows the Principal to have a separate account for miscellaneous needs which minimizes Diocesan and Parish financial dependence
