

Wednesday: Crafty Kitchen \$120

Grades K –5th

Instructed by Amy Laska

Students will be decorating cupcakes, treats and snacks to enjoy. Activities will revolve around seasonal holidays, characters, and other fun themes. Students should bring a container to transport goodies home and have an apron or oversized shirt to cover their clothing. Any other supplies will be provided.

Wednesday: Fired up– Ready to pain ceramics \$85

Grades 5th-8th

Instructed by Shirley Nigro

Students will enjoy two major projects which include a Make-It-Your-Own keepsake box with lid and a customizable 6" square picture frame. The students will have the opportunity to embellish the box and frame with handmade ceramic appliquéd pieces. The pieces will be finished off with different painting techniques.

St. Joseph School

Tuesday: Fired Up—Ready to Paint Ceramics\$120

Grades K-4th

Instructed by Shirley Nigro

Budding painters can get all ready for Christmas by painting a collection of adorable ornaments for themselves or as the perfect gifts. In the first several classes, the students will have the opportunity to customize several Christmas themed ornaments. They will add a professional finish to each item. For the final set of classes, they will enjoy a multi-week project involving a 5" 3D Christmas tree which can hold a tea light and become a special holiday decoration. A lite snack will be provided

Tuesday: Yoga \$100

Grades K-5th

Instructor Josselyn Borowiec will work with students in the gym. Students in K-5 will meet in the gym to learn the ancient art & Science of yoga. This is a great opportunity to achieve better balance, greater flexibility, increase cognitive functioning, learn to self-sooth and achieve a more positive outlook. This class will help with your child's self-esteem and communication skills. But most of all, it's fun. Wear comfy clothes, bring a water bottle & a mat. Healthy snacks are included!
