

**Physical Education Supplies required for K – 6 graders,  
one per child:**

5 gallon bucket with lid -labeled with student's name on it  
jump rope  
frisbee  
bean bag  
sock ball/yarn ball  
Lysol spray

**We would appreciate Lysol spray, hand sanitizer and disinfectant wipes for the homerooms, in addition to these supplies listed on our classroom lists. We realize, of course, that these may be difficult to obtain at this time. Anything you can provide would be greatly appreciated.**
