

SOS ~ SUPPORTERS OF ST. JOSEPH SCHOOL

The members of this committee are dedicated to working with the parents, teachers, staff, administration, children, volunteers, church family and community to support St. Joseph's School in meeting the educational and spiritual needs of the children.

WELCOME TO THE 2018/2019 SCHOOL YEAR!!

The members of the SOS Committee are looking for **YOU!!** We need your help to make this school year a success! How can you help? Come be a part of our team. Our committee meets once a month and we would love for you to join us and share your ideas.

We have events throughout the year that require additional assistance with set-up or volunteers to work at such events as the Penny Carnival or Mammoth Sale. You can also be a supporter through our fundraising opportunities. We know it is hard to find time and maybe you cannot do every fundraiser, but we hope that we have selected ones that are tempting to family and friends.

Why do we fundraise??? To provide additional support to our teachers, staff and students through technology upgrades, building aesthetics, classroom materials, field trip bussing, and other unexpected expenses. We appreciate the support of parents, grandparents, family and friends in helping us accomplish our goals.

Last year we raised money to help with the remodeling of the cafeteria/auditorium. This year we are looking to upgrade some of our bathrooms.

We ask that each family pay \$10.00 in dues each year. This can be paid at Meet the Teacher Night or sent in to the school office marked "DUES".

BE ON THE LOOKOUT!!!

We will periodically send home updates, flyers or invitations on fundraisers/events requesting participation and/or donations. Please be on the lookout for these items in the **FRIDAY FAMILY ENVELOPE**. Thank you in advance for your participation.

We have included a copy of our events this year for your consideration. A copy of our school calendar can be found on the homepage of our website at www.sjsbatavia.org. All of our events will be listed on that as well.

Members of the SOS Committee are always available to answer any questions you may have about an event or how you can help. ALL are welcome to join us at our SOS Meetings. We are looking forward to another successful school year!

Thank you,

Sarah Welker
