**Tuition rates are set based on anticipated support of School fundraisers and active volunteerism in the School community. The lack of such support will necessitate an increase in tuition rates. There is no longer a subsidy being provided by a parish or Diocese.**

**CATHOLIC RATE**

Catholic rate will be granted to families registered, and supportive members of a Catholic Parish, who participate in parish life; show evidence of regular attendance at weekend Mass; and support those parishes financially through use of offertory envelopes.

Families that are registered at Resurrection Parish and are contributing through their time, talent, and/or treasure may be eligible for tuition assistance for the 2026-2027 school year. Please complete the information below if you would like to be considered for this.

Please check those that apply.

- Our family is a registered member of Resurrection Parish.
- Our family plans to attend Mass on a regular basis.
- Our family will participate in the weekly envelope system presented at the offertory at Mass. I understand if I am not able to contribute financially on a particular week, I should place my envelope in the collection anyway, for attendance purposes.

The church office will be monitoring each family’s participation level and those that qualify will be notified at a date determined by the pastor.

**TUITION TERMS & POLICIES**

Registration is only complete (a space in the classroom is reserved for your child) when the \$100 registration fee per child and prior year’s tuition and fees have been paid in full. Tuition accounts must remain current throughout the school year. Delinquent accounts are evaluated throughout the year and may be turned over to a financial service for collection.

Students are accepted only for the entire school year, or for the remainder of the school year if enrolled after the school year has started. Tuition will be prorated if the student is accepted after the *third Friday of September of the school year*, but no reductions or credit of tuition will be granted if the student is expelled, suspended or voluntarily withdraws.

Parent/Guardian acknowledges and agrees that tuition and other charges are paid to ensure a place in the School for the student and not for a period of attendance. The absence of a student does not materially decrease the expenses of the school. Therefore, except as otherwise provided in this Contract, Parent/Guardian shall be responsible for full payment for the entire school year.

St. Joseph Regional School uses the services of FACTS Tuition Management. The policy of St. Joseph Regional School is that all tuition is to be paid through this management company. The only exception to this policy is full payment of the year's tuition prior to August 1st of the current year.

All families must be enrolled with the FACTS Tuition Management Company by *June 30, 2026* and all tuition payments must be made through the practices of the company.

**DELINQUENT ACCOUNT**

If the Parent/Guardian fails to pay the tuition and other charges and fees set forth or does not meet other agreement requirements, he/she will be considered in default of this contract. In this event, the School shall attempt to work with the Parent/Guardian to resolve the default. If an agreeable solution cannot be found, the School reserves the right to impose any or all of the following remedies: withhold report card; refuse to issue diploma; refuse to enroll the student in the School for the next year; seek collection of the tuition and other charges through collection or court; and recover all of the related costs and expenses, including reasonable attorney's fees and, in extreme cases, dismiss the student from school.

**ENTIRE AGREEMENT**

This Agreement contains the full agreement between the School and the Parent/Guardian. The Parent/Guardian acknowledges that he/she has read the provisions of this Agreement and agrees to abide by the terms of the Tuition Agreement.

Please return this completed form by May 31, 2026.
